

SCHOOL OF DEVELOPING TALENTS

Purpose To ensure the pupils with special abilities will have the opportunity to maximise their learning.

Guidelines

- Each year the Board of Trustees will make budget provision to provide extension programmes. Some provisions will be within the context of the specific curriculum areas budget.
- Teacher development to cater for Gifted and Talented will be supported by professional development opportunities.
- Out of hours extension classes will be available when appropriate.
- The many extension opportunities will be managed under the auspices of the School of Developing Talent's.

Procedures

- The director of developing talents will be responsible for all programmes aligned to this department, in liaison with curriculum managers.
- Day Talent provides opportunities for all students to engage in this programme. Fifteen days of special programmes, three cycles of five days with a potential of 5 modules per child per cycle.
- This department continues to develop.

Policy Reference:

- Local Curriculum Goals
- Out of hours classes
